

# V. S. M. COLLEGE (A):: RAMACHANDRAPURAM

## PROGRAMME SPECIFIC OUTCOMES

### **B.Sc – Chemistry, Zoology, Aquaculture Technology (C.Z.A.T.)**

**PSO1:** Imparts knowledge on role of chemistry in biological aspects related to molecular mechanisms.

**PSO2:** Explore the knowledge on scientific data related to living organisms by using qualitative and quantitative methodologies and techniques.

**PSO3:** It provides advanced knowledge on topics in latest developments in the field of aqua with implementation of scientific techniques.
