

# V. S. M. COLLEGE (A):: RAMACHANDRAPURAM

## PROGRAMME SPECIFIC OUTCOMES

### **M.Sc. ZOOLOGY**

- PSO1:** Developing deeper understanding of key concepts of biology at biochemical, molecular and cellular level, physiology and reproduction at organismal level, and ecological impact on animal behavior.
- PSO2:** Elucidation of animal-animal, animal-plant, animal-microbe interactions and their consequences to animals, humans and the environment.
- PSO3:** Strengthening of genetics and cytogenetics principle in light of advancements in understanding human genome and genomes of other model organisms.
