

**CONSOLIDATED REPORT OF SPECIAL PROGRAMS FOR  
SLOW LEARNERS AND ADVANCED LEARNERS**

## **Special programmes for slow performers and advance learners:**

Special programmes for Slow performers

1. Continuous monitoring and individual attention
2. Special classes with individual subject faculty
3. Assign collaborated study with advanced learners
4. Student and parent meeting & Counselling
5. Periodical assessment and evaluation
6. Activity based learning with fellow students
7. Rapid revision of syllabus prior to university examination
8. Encouraging to read books with simple language for easy understand
9. Provision of special notes

## **Special programmes for advance performers :**

1. Inter-college scientific presentations
2. Projects and publication writing
3. Allotment of complex problems
4. Seminar presentation
5. Encouraging to read in library and refer additional books

## **Identification of slow learners, programmes developed and their progress assessment :**

The students are divided into batches equally and teaching faculties are assigned to monitor their academic & personal progress. Students are asked to write assignments on completion of a lecture classes for a given chapter along with their viva voce and their performance is assessed. After each internal assessment examination, the list of students who score less than 40% is made taking into consideration, the respective in-charge's opinion as well as HoD to discuss about the students who require extra attention.

Special programmes conducted for slow learners to enhance their performance in the university examinations Interactive classes are taken by staffs with more flow charts, schematic representations, debates and seminars.

Special attention is also given to students with difficulty in learning by one to one teaching from staffs. Peer group teaching: The students who score more than 60% teach the slow learners during break time and in hostels.

This ensures the scholars also prepares for his carrier examination and students also feel comfortable and get better grasp in one-to-one teaching.

SLOW LERNERS IN SUBJECT OF MATHEMATICS IN 2019-20

Register number	Name of the student	CIA-1	CIA-2
2191023	MAGANTI L GOVINDAMMA	02	09
2192020	GRANDHI HARISAI DM GUPTHA	04	11
2192049	PADAM BHARGAV	01	10
2192080	BHAVAN T V KISHORE	01	12
2193041	GANGULA SRIVALLI	02	08
2193054	GUNNAM SANDHYA	02	11
2193055	GVVNKUMAR	03	10
2193124	NANGINA NAVYA	04	14
2193168	SUNDARAPALLI PAVANKUMAR	03	11
