

Coringa Wildlife Sanctuary

Date: 04.10.2020.

Coringa.

To
Head of the Department,
V. S. M. College,
Ramachandrapuram.

Subject: the student of Year College had done project on
"Endangered species in Coringa and their conservation methods
adopted".

Sir

Your student D. MAHESHBABU has done project work successfully on
"Endangered species in Coringa and their conservation methods adopted."
The candidate acquired more knowledge on Threatened species in Coringa
and conservation methods adopted at Coringa Wildlife Sanctuary.

Thanking you

Divisional Forest Officer,
Wildlife management
Rajahmundry
