EXPOSURE TO CHEMISTRY PRACTICALS

Date: 21.12.2019

Venue: Chemistry Laboratories of VSM College

No. of student volunteers: 56

No. of visitors: 40 students and 2 teachers from Sri Sarvaraya ZP High School, Chelluru.

In general, in many High Schools, proper laboratory facilities are not available due to many reasons, even though some experiments are prescribed in the syllabus. Some students want to learn the science concepts by watching or performing the practicals. To solve this issue, VSM College initiated an excellent programme to show the experiments to the IX and X class students of nearby schools with the help of NSS units. So, students and teachers of Sri Sarvaraya ZP High School, Chelluru visited VSM College on 21.12.2019 and the Chemistry department faculty and Student volunteers shown some Chemistry Practicals to them.
