## **VISIT REPORT**

Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum, mainly seen in BBA/MBA courses.

Objectives of industrial visit are

1. To provide students an insight regarding internal working of companies.
2. We know, theoretical knowledge is not enough for making a good professional career.
3. With an aim to go beyond academics, industrial visits provide students a practical perspective on the world of work.
4. It provides students with an opportunity to learn practically through interaction, working methods and employment practices.
5. It gives them exposure to current work practices as opposed to possibly theoretical knowledge being taught at college.
6. Industrial visits provide an excellent opportunity to interact with industries and know more about industrial environment.
7. Industrial visits are arranged by colleges to students with an objective of providing students functional opportunity in different sectors like IT, Manufacturing and services, finance and marketing.
8. Industrial visit helps to combine theoretical knowledge with industrial knowledge. Industrial realities are opened to the students through industrial visits.

We know building relationship with companies always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practice.
