

BAN ON USE OF PLASTIC

The college is gearing up to declare itself as a Plastic Free Zone. Students are encouraged to avoid plastic usage. The bins for the plastic waste are placed at various locations in the college. Even in the canteen also usage of steel plates and steel cups are mandatory. Swachh Bharat awareness programmes on plastic free campus are conducted to students and staff to discourage the use of plastic bags and to minimise environmental damage and risks.

Single-use plastic items such as plastic bottles, bags, spoons, straws and cups are banned completely and awareness is created among staff and students through orientation and display boards in the premises. The staff and students are informed to use steel or copper water bottles instead of plastic bottles.

GENERAL

IF YOU ARE A STUDENT WITH A PASSION TO PURSUE RESEARCH IN PHYSICS, THEN THIS IS THE PROGRAM FOR YOU!

Physics Training and Talent Search (PTTS)

WHO CAN APPLY : For Level-1: B.Sc. II /Int. M.Sc. II Year
For Level-2: M.Sc. I year /Int. M.Sc. IV year

WHEN: May 25 - June 15, 2020.

VENUE: Dept of Physics, Manipal Institute of Technology,
Manipal Academy of Higher Education, Udipi 576104 Karnataka.

PTTS program structure: Each working day, there will be lectures and tutorials and a laboratory session on Experimental Physics. There will be guest lectures by eminent scientists.

Methodology of training: Unlike in traditional lectures, in this program classes will be interactive in nature. Tutorials will include discussing and solving problems. The experimental physics course will be structured to help you propose and design an experiment.

Selection Process: 50 students for level-1 and 25 students for level-2 will be selected from all over India. Selection will be based on your answer to the question in the online application, recommendation from your teacher and academic performance in school/college. Performance in any standard examination such as NSPE, NTSE and KVPY will also be considered.

To create a diverse group of students we will try to represent, equally, female and male students from across various states in India, from rural and urban institutions. Merit will be the primary criteria for consideration. A few highly motivated B.Tech. (II year) students can also apply for Level-1. Few exceptionally bright students from a lower class can also apply.

LAST DATE:
MARCH 21, 2020

HOW TO APPLY:

1. Fill in the online application form at the URL: <https://www.ptts.org.in>
2. The Recommendation form can also be filled online by anyone who knows you well academically.
3. Answer the question that is given in the online application form and upload the solution.

For details about the application process, visit <http://www.ptts.org.in>

LOCAL COORDINATORS:

Mahesha M G (+91 - 9449452341
Imayil : +91 - 9845497546

Travel and accommodation: Students will be provided to and fro AC II-Tier train fare from residence/institution to Udipi. Food boarding and lodging will be provided at Manipal Institute of Technology, Manipal. Participants will receive a certificate and resource materials on successful completion of the program. A few among those who perform well in the program will be considered for internships.
